1. Start with your paper white side up. Fold in half, open, then fold in half the other way.

2. Now Fold the Paper in half diagonally, both ways.

3. Fold all four corners into the centre and crease well.

4. Turn Over and Fold all four corners into the centre again. Your creases should look like this. It looks complicated, but don’t worry!

5. Fold the outside edges into the centre line.

6. Holding each inside edge from the point at the centre, bring these edges out to the points shown. Then, fold the top edge downwards and flatten.

7. Rotate the model, and repeat step 7.

8. Fold the top half backwards and flatten.

9. Fold down the front outside corners.

10. Fold these outside corners inward as shown.

11. Fold the butterfly in half.

12. Now fold the top layer backwards, at the angle shown.

13. And now fold the back wing backwards also at the same angle.

14. Open out. Your butterfly is complete!
